*May 2019*

Attention: Friends, Neighbours and Local businesses

The Strawberry Vale Elementary School Parent Advisory Committee is planning a significant fundraising event, our biennial Spring Fair. This family-friendly community event will take place at the school on June 7<sup>th</sup>, 2019. More than 600 people from our local community attend this event.

We are kindly asking local businesses like yours for donations to help make our fundraiser a success. Donations could be in the form of a product, service, gift certificate, promotional item, or other item of value that could be used for our *Silent Auction, Mystery Grab Bags (approx \$5 value), and Game Station Prizes.*

We would be very appreciative if you would consider a donation that could be used for our Spring Fair Fundraiser. In return, we will promote your donation in our communications and promotional materials sent to the families of our 280 students.

The Spring Fair provides much needed funding for field trips, classroom and home-reading books, and special school-wide programs to enrich the learning experiences for students at our school. We are also aiming to raise funds to help in the completion of our Nature Play Perimeter Pathway - which has been providing outdoor learning and play space on the school grounds but still has a bit of work to complete. The creation of this pathway has been of benefit the entire community.

Please let us know as soon as possible if you would like to provide a donation. We can happily arrange pick-up of your donation at your convenience. Alternatively, if it is more convenient, donations can be mailed or dropped off to the following address:

Attention: *PAC Parents Amy and Wendy*  
Strawberry Vale Elementary School PAC
