

Hello Strawberry Vale Elementary Parents ~ we need your help!

The Spring Fair is coming up on June 7 and time is of the essence.

Like our Facebook SVE school & PAC pages for more current details!

Silent Auction

We are in search of items for our Silent Auction. Are you able to contribute new items, gift certificates or solicit donations from friends, a neighbor or local business that you support? We have attached a form letter to explain the event and what we are looking for. Please copy and share it where you can.

Donations can be brought into the school office before May 16.

Bag Bonanza

We are over half way to our goal of 400 bags but we still need more! If you have gift bags of any occasion that you can donate please do! We also still need treats to put into the gift bags. If you are cleaning out toy rooms or closets and have small toys, books, craft items or sports items that are new or gently used that would make others excited to receive please send them into the office, there's a collection bin in front of Karen's desk in the school office waiting for your donations!

Cake Walk

Last year's event sold out and we are hoping to repeat it with approximately 75 cakes as prizes for this fun version of musical chairs. If you are not a baker store bought cakes are great too! There will be a chance for students to vote on their favorite cake so start brainstorming your ideas now.

Sign up genius will be out soon to put your name on the list.

Volunteers

This event is such a fun time for the students, parents and teachers but it can only happen with many hands helping out before, during and after. We are in desperate need of coordinators to help organize game stations, ticket sales and a volunteer coordinator. If you can assist please email us at **pacsve@gmail.com**. Sign up Genius will be out shortly with many helpers needed during the event to run the different stations and we thank you in advance for filling these spots quickly so we know the event is being supported and can be a success.

THANK YOU for creating such a great community and supporting our students.
