Dear families,

Our students regularly participate in nature walks on our school grounds. Teachers also enjoy taking our students on outings to nearby Rosedale Park, Strawberry Knoll Park and our local school community. These experiences extend our students learning and often compliment in-class learning. These walks do not include fieldtrips outside of our school community such as skating, swimming, museum or any other fieldtrip of this nature. A separate fieldtrip notice and parental permission will be sent home.

Thank you.

Principal
